

Black Sabbath - It's Alright

Tom: C

C Em
Told you once about your friends and neighbours
Am G
They were always seeking but they'll never find it
F C
It's alright, yes it's alright
C Em
Where to go and where to see
Am G
It's always been this way and it can never be
F C

It's alright, yes it's alright
C Em
Give it all and ask no return
Am G
And very soon you'll see and you'll begin to learn
F C
That's it's alright, yes it's alright
C Em
Don't you know that it's so good for you
Am G
You can be making love and see it all go through
F C
But it's alright, yes it's alright
