

# Black Sea Dahu - My Guitar Is Too Loud

tom:  
G (forma dos acordes no tom de C )  
Capostrate na 7ª casa  
Intro: C F C F

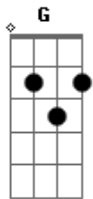

Now that I'm free  
I've got no one  
And no one's waiting for me  
So why do I feel so heavy  
Heavyhearted

I never wanted to do you any harm  
Forgive me for I am not acting like I've grown  
But I can't do well when you're gone  
[Interlúdio] C F C F

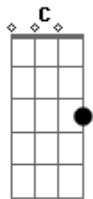

We're walking under the same Sun

Can't think of anything  
But your hands and the drum  
I'm letting my hair grow out again  
But you wouldn't know cause you won't see me anymore  
And soon I'm gonna be thrown out of my apartment  
Cause my fucked up neighbour says that my guitar is too loud  
I never wanted to do you any harm  
Forgive me for I am not acting like I've grown  
But I can't do it when you're gone  
I never wanted to do you any harm  
Forgive me for I am not acting like I'm grown  
But I can't do well when you're gone
