

# Black Ties - Your Game

Tom: **G**

Hey you **G**  
**D**  
 Look at me  
**A**  
 Hey you  
**C**  
 What you thinking  
**G** **D**  
 Sitting there, drinking alcohol  
**A** **C**  
 Just trying to forget him

**Am** **C**  
 Cause people always told me  
**G**  
 Be careful with who you love  
**Em**  
 After you're eighteen  
**Am** **C**  
 But all I wanna do

**G**  
 Hey you  
**D**  
 Talk to me  
**A**  
 Hey you  
**C**  
 Would you dance with me  
**G**  
 I'm not a good dancer  
**D**  
 But I could try it out  
**A** **C**  
 Or maybe you could teach me

**Am** **C**  
 Cause people always told me  
**G**  
 Be careful with what you do

**Em**  
 After you're eighteen  
**Am** **C**  
 But all I wanna do

**G**  
 Hey you, hey you  
**D**  
 Whats your game

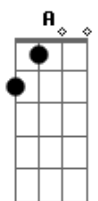

Tell me now  
**A** **C**  
 Because I'll play, I'll play with you

**G**  
 Hey you  
**D**  
 I love your smile  
**A** **G**  
 Hey you  
**C**  
 Would you kiss me  
**G**  
 Because I've been trying all night  
**D**  
 To just spend a little time with you  
**A** **C**  
 And maybe you would see me

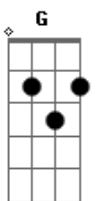

**Am** **C**  
 Cause people always told me  
**G** **Em**  
 Be careful with everything good on your life  
**Am** **C**  
 But all I wanna do  
**G**  
 Hey you, hey you  
**D**  
 Whats your game

Tell me now  
**A** **C**  
 Because I'll play, I'll play with you
