

# Black Uhuru - Thinking About You

tom:

Intro: G D Em C

G D  
Since you left just yesterday  
Em C  
My whole world turned a dark shade of gray  
G D  
I could go out and find somebody new, girl  
Em C  
But it wouldn't be the same as you  
G D  
Cause when we started after parted  
Em C  
When you left we were one in mine

G D  
And the summer is really gone  
Em  
Here we are so far  
C  
From our dawn  
C Em Am G  
Sometimes it's wrong  
C Em C D  
Doing what's right  
C Em Am G  
Love comes alone  
C Em C D  
Love gives us light  
G D  
Thinkink about you babe  
Em C  
Is enough to drive me  
G D Em

Right out of my mind

( Em )

G D  
Oh I Only wish that you were here  
Em C  
So we could share sometime  
G D  
(I) listened for your footsep on my front stair  
Em C  
(I) looked through the window and you were not there  
G D  
I holded you in my arms and I own you for a while  
Em C  
Baby don't you know that I miss your smile  
G D  
(I) holded you in my Arms but that's in the past  
Em C  
Funny how love you can never last

G D  
And the summer is really gone  
Em

Here we are so far

C  
From our dawn  
C Em Am G  
Sometimes it's wrong  
C Em C D  
Doing what's right  
C Em Am G  
Love comes alone  
C Em C D  
Love gives us light

[Final] C Em Am G  
C Em C D
