

Blackbear - Hard On Yourself (feat. Charlie Puth)

tom:
[Refrão]
I can see you're struggling
Promise you'll find love again
Yeah, it will be alright
Why are you?so?hard on yourself?
[Primeira Parte]
Yeah,?why you gotta try so hard?
Counting?calories and carbs
Another trip across the world
I go so hard?tryna
Make?you?feel just like?a queen
You don't?need a camera to make a scene
You were born like that, no Maybelline
When you first wake up, you're bad to me
Pop another Addy, no sleep tonight
Can't push the wheel slow, I'm speedin' right
Over to the crib 'cause we need to slide
But you take so long makin' up your mind
All black dress, do your back
You leave ten times, I'll take you back
[Pré-Refrão]
Why you wanna look like someone else?
Why are you so hard on yourself?
[Refrão]
I can see you're struggling
Promise you'll find love again
Yeah, it will be alright
Why are you?so?hard on yourself?
Try not to fall apart
You're perfect just the way you are
It will be alright
Why are you so hard on yourself?
[Segunda Parte]
Why you gotta compare our lives
To pics you see on your timeline?
Another shot of Hennessy
