

# Blackberry Smoke - Lay It All On Me

Tom: C

Intro: C Am F G C

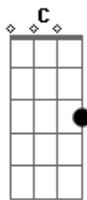

C  
Ruby's got a brother. Her brother's got a lover  
C His lover's got another on the side  
G  
Ain't nobody's business. We all need forgiveness  
G  
It's been laying heavy on my mind  
F Em  
If you got a secret baby I can keep it  
Am F Ab  
Lock it up and swallow the key  
C Am  
'Cause everybody's got a little something to hide  
Ab G C  
You can lay it all on me  
C  
Her mama used the Bible. Daddy used the bottle  
C G  
Revival and survival made her run  
G  
She's using just a little of both here in the middle  
G C  
I know exactly where she's coming from  
F Em  
If you got a secret baby I can keep it  
Am F Ab  
Lock it up and swallow the key  
C Am  
'Cause everybody's got a little something to hide  
Ab G C

You can lay it all on me

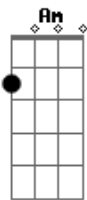

(Chords over Solo)

C G C  
F Em Am F Ab  
C Am Ab G C  
F D  
Covering my tracks and sneaking on the sly  
C  
It's getting hard to look my Ruby in the eye  
D  
She caught us shackin' up at a dirty motel  
D G C  
Says she's gonna send us both straight to hell  
C  
It's complicated ain't it. I wish I could explain it  
C G  
It wouldn't make no difference if I tried  
G  
Now Ruby and her brother. Say one way or another  
G C  
I'm running out of places I can hide  
F Em  
If you know a secret you best know how to keep it  
Am F Ab  
Lock it up and swallow the key  
C Am  
'Cause everybody's got a little something to hide  
Ab G C  
You can lay it all on me  
Ab G C Am  
Yeah, You can lay it all on me  
F G C  
You can lay it all on me
