

# Blackberry Smoke - Waiting For The Thunder

tom:  
Bm

Intro:

B Light the fuse and run now brother  
A E A E

Cuz' you ain't got a lot of time

B Don't you act surprised  
D A D A

When it all goes to hell on your dime

B Maybe you can stand tall enough  
A E A E

To look the devil eye to eye

B But you better make your getaway quick  
So you don't have to answer why

[Refrão]

D A  
The bells will ring  
D A E B  
And the flames will fly

D A  
Two thousand years of fury in the  
D A E B  
Big black sky

D A  
The wind will roll  
D A E B  
And the rain will fall

D A  
Are we waiting for the thunder?  
D A E B  
Will the lightnin' get us all?

[Riff] B B B E  
B B B E

Waitin' for the thunder

[Verse 2]

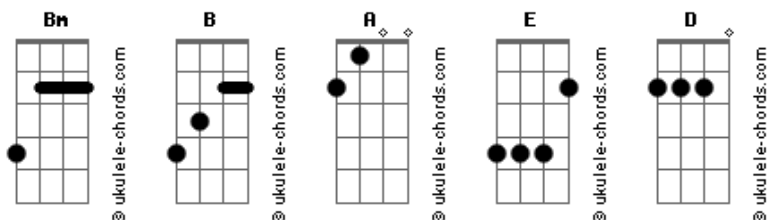

All the money and the war and religion

And the which one do you serve?

Maybe them with the power and the glory

Got more than they deserve

## Acordes

Why do we stand by and do nothin'

While they piss it all away?

And we hope we wake up in the mornin'

To the light of a brand new day
