

# Blackfield - Welcome To My Dna

Tom: Ab

Intro: Fm Eb Db

Fm  
DNA  
Eb Db Fm  
Welcome to my DNA  
Eb Db Ab Eb  
Stupidly you want to stay with my DNA

DNA  
You cannot fix what you get  
Thing that I try to forget in my DNA

Chorus:

Bbm C Bbm C  
Can you forgive me for things that I've said?  
Bbm Fm  
Things that I've done?

C Fm  
Go now and never come back

DNA  
We all got expiry dates  
Trust me there's no get away from my DNA

DNA  
Wires of sadness and pain  
Always remaining the same, my DNA

Disarmed by the music, there's bombs in my head  
You'll always get burned  
Go now and never come back

During melody: Fm, D#, C#, C x2

My deadly venom, soon I'll be dead  
Go now my love  
Go now and never come back

## Acordes
