

# Blackpink - Bet You Wanna (feat. Cardi B)

tom:

<sup>G</sup>

<sup>G</sup>  
Tell me where you wanna go  
<sup>G</sup>  
I'll meet you with my bags at the door  
<sup>G</sup>  
Ah, I'm gon' make you go blind  
<sup>G</sup>  
Every time I walk, my hips, they don't lie  
<sup>G</sup>  
Take me to your paradise  
<sup>G</sup>  
'Cause I don't wanna wait anymore  
<sup>G</sup>  
Ah, I'll say it one more time  
<sup>G</sup>  
Every time I walk, my hips, they don't lie  
<sup>G</sup>  
You wanna touch, wanna touch, Of course you wanna!  
<sup>G</sup>  
You wanna run with my love, I know you wanna!  
<sup>C</sup>  
From the club to the tub, You said you wanna!  
<sup>G</sup>  
Give me an all night hug, I bet you wanna!  
<sup>G</sup>  
I bet you wanna  
I bet you wanna  
I bet you, I bet you  
I bet you wanna  
I bet you wanna  
I bet you wanna  
<sup>G</sup>  
Something bout me's taking you higher  
<sup>G</sup>  
And you ain't ever gonna come down  
(You ain't ever, you ain't ever)  
<sup>C</sup>  
I'm lighting your fire  
<sup>G</sup>  
And it ain't ever gonna go out  
(It ain't ever, it ain't ever)  
<sup>G</sup>  
Take the car keys, drive me crazy  
<sup>G</sup>  
Cardi a good catch, but you gotta chase me  
<sup>G</sup>  
Grab my waist line, but don't ever waste me  
<sup>G</sup>  
Turn on, please me, but don't ever play me  
<sup>G</sup>  
One of a kind, you can't replace me  
<sup>G</sup>  
Time to shine, I bust down the AP  
<sup>G</sup>  
The stakes is higher

<sup>G</sup>  
Let's do what we both desire  
<sup>G</sup>  
On God, like I'm in the choir  
<sup>G</sup>  
I bet you if you make me sweat, I'll still be on fire  
<sup>G</sup>  
You wanna touch, wanna touch, Of course you wanna!  
<sup>G</sup>  
You wanna run with my love, I know you wanna!  
<sup>C</sup>  
From the club to the tub, You said you wanna!  
<sup>G</sup>  
Give me an all night hug, I bet you wanna!  
<sup>G</sup>  
I bet you wanna  
I bet you wanna  
I bet you, I bet you  
I bet you wanna  
I bet you wanna  
I bet you wanna  
<sup>G</sup>  
Something about me's taking you higher  
<sup>G</sup>  
And you ain't ever gonna come down  
(You ain't ever, you ain't ever)  
<sup>C</sup>  
I'm lighting your fire  
<sup>G</sup>  
And it ain't ever gonna go out  
(It ain't ever, it ain't ever)  
<sup>G</sup>  
If you want me (me), bet a bit higher  
<sup>G</sup>  
Wanna look down (down), up in the sky, yeah  
(Higher, higher, higher, higher, higher)  
<sup>G</sup>  
Boy, better pick it up so damn high  
<sup>G</sup>  
Lookin' so thick (thick), make you desire  
<sup>G</sup>  
I'm a whole bit (bit), keep you up higher  
(Higher, higher, higher, higher, higher)  
<sup>G</sup>  
Something bout me's taking you higher  
<sup>G</sup>  
And you ain't ever gonna come down (gonna come down)  
(You ain't ever, you ain't ever)  
<sup>C</sup>  
I'm lighting your fire (your fire)  
<sup>G</sup>  
And it ain't ever gonna go out  
(It ain't ever, it ain't ever)  
<sup>C</sup>  
Something bout me's taking you higher (taking you higher)  
<sup>G</sup>  
And you ain't ever gonna come down  
(You ain't ever, you ain't ever)  
<sup>G</sup>  
Bet you wanna love this, ahh
