

Blackpink - Love To Hate Me

tom:
Capostrate na 3ª casa

Love, lo-lo-love, lo-lo-love
How you love to hate me
Kinda sad that you always been like that
See me making waves, and you don't like that
Driving trough your puddles goin' splish, splash
(Splish, splash, splish, splash)

Stressing over nothing, baby, relax
While you gettin' angry, I'ma kick back
Only thing I think about is big stacks
(Racks, racks)

Negative days, negative nights
Baby, you're wasting all your time
I can't relate, I keep it light

No-no-no drama in my Life

Weake up, yeah

Makeup, maybe

I need you? Nah

I been good lately

Blowin' up

Workin' busy

You ain't worth my love, if you only love to hate me

Love, lo-lo-love, lo-lo-love

How you love to hate me

Love, lo-lo-love, lo-lo

You ain't worth my love, if you only love to hate me

I'ma let you fade into the background

Baby, all my shows are gettin' too loud

Keep on turnin' it up when you want me down (down, me down, me down)

Negative days, negative nights

Baby, you're wasting all your time

I can't relate, I keep light

No-no-no drama in my life

F

Wake up, yeah

Makeup, maybe

I need you? Nah

I been good lately

Blowin' up

Workin' busy

You ain't worth my love, if

You only love to hate me

Love, lo-lo-love, lo-lo-love

How you love to hate me

Love, lo-lo-love, lo-lo-

You ain't worth my love, if

You only love to hate me

Love to hate me, you hate to love me

I'm takin' back what you've taken from me

You're mistaken, honey, this something that

Remind me why I be alone, on my own

If I needed you, I'd have you that I know, hold up

I could do bad by myself

Don't need help

One of a kind, the hand that I was dealt, like oh well

Felt, Cupid was stupid, I should have knew it

'Cause I been through it

You wouldn't do it if it ain't foolish, stupid

You ain't worth my love, if

Ou only love to hate me

Love, lo-lo-love, lo-lo-love

How you love to hate me

Love, lo-lo-love, lo-lo-

You ain't worth my love

If you only love to hate me

Love, lo-lo-love, lo-lo-love

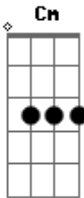

How you love to hate me

Love, lo-lo-love, lo-lo-

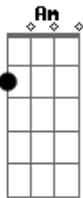

You ain't worth my love, if

You only love to hate me
