

Blaenavon - Take Care

```
tom:
            [Primeira Parte]
When you kissed my hand and passed the note
I wondered how you wrote at all
My side of the bed won't rest tonight
When you first walked in evening air
A lullaby went through my head
My side of the bed won't rest tonight
Rest tonight
[Refrão]
           Abm
But I can't stand
Another case of the brain that got away
Or drink iced tea tonight
Wallowing, wallowing
Abm
In my cells
Their aged wisdom will try to tell you
A Abm
Take care of yourself
Of yourself
Take care of yourself
[Segunda Parte]
Surgeons operate without their eyes
The frozen shell of a body now
So lick a stamp and post me off
So that I can ride the journey of
A noble man
     Ab7
I'll sleep if I can
[Refrão]
            Abm
But I can't stand
Another case of the brain that got away
And drink iced tea tonight
Wallowing, wallowing
```

```
Take care of yourself
Ah, ah, ah, ah, ah, ah, oh
Ah, ah, ah, ah, ah, ah, ah, oh
Ah, ah, ah, ah, ah, ah, oh
Ah, ah, ah, ah, ah, ah, oh
Ah, ah, ah, ah, ah, ah, ah, oh
Ah, ah, ah, ah, ah, ah, oh
Ah, ah, ah, ah, ah, ah, ah, oh
Ah, ah, ah, ah, ah, ah, oh
Ah, ah, ah, ah, ah, ah, ah, oh
Ah, ah, ah, ah, ah, ah, oh
Ah, ah, ah, ah
Take care of yourself
[Refrão]
But I can't stand
Another case of the brain that got away
Or drink iced tea tonight
Wallowing, wallowing
Abm
In my cells
