

# Bleachers - Don't Take The Money

tom:  
Capostrate na 1ª casa  
Intro: C F

[Primeira Parte]

Somebody broke me once, love was a currency  
A shimmering balance act, I think that I laughed at that  
And I saw your face and hands, coloured in sun and then  
I think I understand, will I understand?

[Pré-Refrão]

Will we fight, stay up late, in my dreams I'm to blame  
Different sides of the bed, roll your eyes, shave my head  
Now we're stuck in the storm, we were born to ignore  
And all I got is a chance to just sit

[Refrão]

(I'm in love and you've got me, runaway)  
You steal the air out of my lungs, you make me feel it  
I pray for everything we lost, buy back the secrets  
Your hand forever's all I want, don't take the money, don't take the money

[Segunda Parte]

I slept on my own those nights, was still in my parent's house  
And I cut off my t-shirt sleeves and claim a new continent  
'Til I saw your face and hands covered in sun and then  
I think I understand, will I understand?

[Pré-Refrão]

Will we fight, stay up late, in my dreams I'm to blame  
Different sides of the bed, roll your eyes, shake my head  
Now we're stuck in the storm, we were born to ignore  
And all I got is a chance to just sit

[Refrão]

(I'm in love and you've got me, runaway)  
You steal the air out of my lungs, you make me feel it  
I pray for everything we lost, buy back the secrets  
Your hand forever's all I want, don't take the money, don't take the money

(I'm in love and you've got me, runaway)

You steal the air out of my lungs, you make me feel it  
I pray for everything we lost, buy back the secrets  
Your hand forever's all I want, don't take the money, don't take the money

[Ponte]

When you're looking at your shadow, standing on the edge of yourself  
Praying on the darkness, just don't take the money  
Dreaming of an easy, waking up without weight now  
And you're looking at the heartless, just don't take the money  
[Refrão]

You steal the air out of my lungs, you make me feel it  
I pray for everything we lost, buy back the secrets  
Your hand forever's all I want, don't take the money, don't take the money

(I'm in love and you've got me, runaway)  
You steal the air out of my lungs, you make me feel it  
I pray for everything we lost, buy back the secrets  
Your hand forever's all I want, don't take the money, don't take the money

Just don't take the money  
Just don't take the money  
Just don't take the money  
Just don't take the money  
Just don't take the money

## Acordes
