My first breath wasn't done

My spirit's sunken deep into the ground

Why am I alone ?  
I can hear my heartbeat silence's all around

**Dm** **Bb** **C**  
Born with a king's heart

But fate fooled me and changed my cards

No one asked if I want it , if I like it

A figure in an old game, no joker's on my side

I plunged into misery  
**C** **Bb** **Am** **Dm**  
I'll turn off the light and murder the dawn

I'll turn off the light and murder the dawn

No one can heal me , nothing can save me , None can heal me

I've gone beyond the truth it's just another lie
