

# Blind Melon - So High

Tom: C

G F Am

E Does it ever seem like you're living in a story someone else wrote.

F C G F Everything you do is all scripted out. Getting thrown in all directions

Am E F C but the path I want isn't there. I was told it's a few steps away.

Am E C E I could die in the sky oh and leave this world behind. I'd get so high,

F G G F Am live free. Have you ever felt like someone was watching you with no eyes.

F C G F You try to spot them out but they all hide. Oh well I'm standing on a tower

E F

C Am of endless thinking, oh would you like to have a thought with me. Oh and

E C E Fm G the world seems like one big buzz of peace, we'll be floating on below.

G F Am E F What would it take for me to find a way to survive, a cut so deep it shows

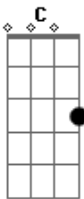

C Am E C E the other side. I could die in the sky oh and leave this world behind, I'd

Fm G Am E C E get so high, live free. Oh and the world seems like one big buzz of peace

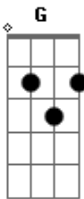

Fm G we'll be floating on the love. If Lennon we're here he would sing this part.

C If Lennon we're here he would sing this part.
