Are you fed up, Are you fed up with me?  
Do you think you could do better?  
Five fed up faces with the itch to kill a king  
Blood red sunshine, and a breath to air that's clean  
I drink from the faucet  
From the porch I take a pee  
I look at you through the bushes  
C  
Where you can't see me  
(Same part as )  
I laugh and slip into another state of mind  
To let you know that I am real  
And all the worries you build up inside your soul  
The ones that make your world stand still  
Means you can feel, that it's time to go
