Whatever he says in the background here:

G2 Gradual bend

Then last verse, then chorus.

What do you think they would say

If I stood up and I walked away

Nobody here really understands me, and so I'll wave goodbye ,

I'm fine, I'm fine

Tones of home

Said you don't like the way I'm living

Tones of home, Tones of home

And so I'll wave goodbye

I'm flyin, I'm flyin home

And I always thought this would be

The land of milk and honey

Oh but I come to find out that its all hate and money

And there's a canopy of greed holding me down

-chorus-

See I'm so high to you, so I'll fade away

I said you're on your own

Your mom and daddy said, and your sister said, and your brother is saying

Everybody, is saying everybody, is saying I, eye, god I gotta go!

All my freinds patronize me and they say yo hey boy

have you found what you're looking for

It seems they don't really know me cause its here, and its what they

can't see....

-chorus-
