

Blind Melon - Walk

Tom: C

Am C G F

Find myself singing the same songs everyday
Ones that make me feel good
When things behind the smiles ain't okay

Am C G F

Around and over and in-between the seas
I need to be on top of a mountain
Where I can be see everything
Cause this paranoia's getting old

Am C G F

Now as I open my eyes to start another day
I'm in a pile of puke, empty bag of excuses
My love for friends and family, you know I need them
and under a sun that's seen it all before

And my feet are so cold

And I can't believe that I have to bang my head against this
wall again But the blows they have just a little more
space in between them
gonna take a breath and try.....and try again
