This song is only played live so try downloading it from somewhere

13 miles down the road lives a young boy

he's got jet black hair and blue green eyes and hes mine
and every now and then he and i would sit together on the porch
and i'd take off his pants and i'd fck him from behind

and i love him for his heart and soul
and i love his wrinkled scrotum too
so if u see us passing by on some dreary rainy day
take a look at the young boy and his naked
asshole
