

# Blink 182 - Adam's Song

Tom: **G**  
Intro:

Primeira Parte:

**D** **G** **B**  
I never thought, I'd die alone  
**G** **D**  
I laughed the loudest, who'd have known?  
**G** **B**  
I traced the cord back to the wall  
**G** **D**  
No wonder it was never plugged in at all  
**G** **B**  
I took my time, I hurried up  
**G** **D**  
The choice was mine, I didn't think enough  
**G** **B**  
I'm too depressed to go on  
**G**  
You'll be sorry when I'm gone

I never conquered, rarely came  
Sixteen just held such better days

Days when I still felt alive  
**D**  
We couldn't wait to get outside  
**Em** **Bm**  
The world was wide, too late to try  
**G** **D**  
The tour was over we'd survived  
**Em** **Bm**  
I couldn't wait till I got home  
**G**  
To pass the time in my room alone  
(Introdução)

Segunda Parte:

**D** **G** **B**  
I never thought, I'd die alone  
**G** **D**  
Another six months I'll be unknown  
**G** **B**  
Give all my things to all my friends  
**G** **D**  
You'll never step foot in my room again  
**G** **B**  
You'll close it off, board it up  
**G** **D**  
Remember the time that I spilled the cup  
**G** **B**  
Of apple juice in the hall?  
**G**  
Please tell mom this is not her fault
