Intro:
                                                                           So give me one good reason
                                                                                   Ab
                                                                          Why we need to be like them

                                                                                     Ab
                                                                           Kids will have fun and offend
        \label{thm:mom_and_def} \mbox{Mom and Dad they quite don't understand it} \\
                                                                                      Ab
                                                                                                   В
                                                                           They don't want to and don't fit in
       All the kids they laugh as if they planned it
                                                                  -- Intro --
       Why do girls want to pierce their nose
                                                                  Verso: (ABAFADO)
       And walk around in torn pantyhose, oh yeah
                                                                          Hate the jocks, the preps, the hippie-fuckin' scumbags

                                                                          Heavy-metallers with their awful, pussy hair bands
           xxxx
                                                                          Counting seconds until we can get away

                                                                          Ditchin' school almost every single day, oh yeah!
        I like the ones who say they listen to the punk rock \ensuremath{\mathsf{B}}
                                                                  -- Riff 1 -- X 4
        I like the kids who fight against how they were
brought up
                                                                  -- Refrão --
        They hate the trends and think it's fucked to care
       It's cool when they piss people off with what they
wear, oh yeah
