

Blink 182 - Grandpa Song

Tom: **G**

[Verse]

[Chorus]

[Chorus end]

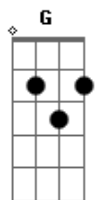

[comments]

Play the verse starting in the shape of an open **D** chord. Go from there.

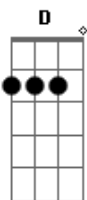

Don't use a pick, just finger-pick, use index and middle for the jumping notes.

Then when it is time play the chorus, play it 3x and then play the chorus End 1ce.
