C G
Hello there, the angel from my nightmare
Am G
The shadow in the background of the morgue
C G
The unsuspecting victim of darkness in the valley
Am G
We can live like Jack and Sally if we want
C
Where you can always find me
G
We'll have Halloween on Christmas
Am G
And in the night we'll wish this never ends
C [acorde do começo da proxima parte]
We'll wish this never ends

C G C C F 2x
(I miss you, miss you)

C G
Where are you and I'm so sorry
Am G
I cannot sleep I cannot dream tonight
C
I need somebody and always
G
This sick strange darkness
Am G

Comes creeping on so haunting every time
C
And as I stared I counted
G
Webs from all the spiders
Am G
Catching things and eating their insides
C
Like indecision to call you
G
and hear your voice of treason
Am G
Will you come home and stop this pain tonight
C
Stop this pain tonight
C G C C
Don't waste your time on me you're already
F
The voice inside my head (I miss you, miss you)
C G C C
Don' waste your time on me you're already
