[Primeira Parte]

[Tab - Primeira Parte] - 3x

Hello there  
The angel from my nightmare  
The shadow in  
The background of the morgue  
The unsuspecting victim  
Of darkness in the valley  
We can live like Jack and Sally  
If we want  
Where you can always find me  
And we'll have Halloween on Christmas  
And in the night  
We'll wish this never ends  
We'll wish this never ends

[Interlúdio]

[Tab - Interlúdio] - 2x

I miss you, miss you  
I miss you, miss you

[Segunda Parte]

[Tab - Segunda Parte] - 3x

Where are you  
And I'm so sorry  
I cannot sleep  
I cannot dream tonight  
I need somebody and always  
This sick strange darkness  
Comes creeping on

## Acordes

So haunting every time  
And as I stared I counted  
The webs from all the spiders  
Catching things  
And eating their insides  
Like indecision to call you  
And hear your voice of treason  
Will you come home  
And stop this pain tonight  
Stop this pain tonight

[Refrão]

[Tab - Refrão] - 2x

Don't waste your time on me  
You're already  
The voice inside my head

Don't waste your time on me  
You're already  
The voice inside my head

[Ponte]

Don't waste your time on me
