Hello, there
The angel from my nightmare
The shadow in the background of the morgue
The unsuspecting victim of darkness in the valley
We can live like Jack and Sally, if we want
Where you can always find me
And we'll have Halloween on Christmas
           Em
And, in the night, we'll wish this never ends
                   G A7 G D C C
We'll wish this never ends
                  G A7 G D
                               C
I miss you, miss you
                  G (pausa)
I miss you, miss you
         G
Where are you?
And I'm so sorry
I cannot sleep, I cannot dream tonight
I need somebody and always
   G
This sick, strange darkness
Comes creeping on, so haunting every time
And as I stared, I counted
The webs from all the spiders
```

```
Catching things and eating their insides
Like indecision to call you
And hear your voice of treason
Will you come home and stop this pain tonight?
Stop this pain tonight
