 Hello there, the angel from my nightmare the shadow in the background of
 The morgue, the unsuspecting victim of darkness in the valley, we can live
 Like Jack and Sally if we want, where you can always find me
 And we'll have Halloween on Christmas
 And in the night we'll wish this never ends, we'll wish this never ends
 [Pre-Chorus]
 I miss you, I miss you
 [Verse]
 Where are you, and I'm so sorry, I cannot sleep, I cannot dream tonight, I

Need somebody and always, this sick strange darkness comes creeping on
 So haunting every time
 And as I stared I counted
 The webs from all the spiders
 Catching things and eating their insides
 Like indecision to call you
 And hear your voice of treason
 Will you come home and stop this pain tonight, stop this pain tonight
 [Chorus]
 Don't waste your time on me
 You're already the voice inside my head
 Don't waste your time on me
 You're already the voice inside my head
