

# Blink 182 - I Wont Be Home For Christmas

Intro: 2X

[Primeira Parte]

Outside the carollers start to sing, I can't describe the joy  
 They bring cause joy is something they don't bring me  
 My girlfriend is by my side from the roof are hanging sicles  
 Of ice they're whiny voices get  
 Irritating It's Christmas time again

So I stand with a dead smile on my face wondering how much of my  
 Time they'll waste oh god i hate satan's helpers  
 And then I guess I must've snapped cause I grabbed the baseball  
 Bat and made them all run for shelter

[Refrão]

It's Christmas time again  
 It's time to be nice to the  
 People you can't stand all year  
 I'm growing tired of all  
 This Christmas cheer  
 You people scare me please  
 Stay away from my home  
 If you don't wanna get beat down just  
 Leave the presents and then leave me alone

[Passagem] 2X

[Segunda Parte]

Well I guess it's not cool to freak  
 On Christmas Eve cause the cops came and  
 Arrested me they had  
 Unfair advantage  
 And even though the jail didn't have a  
 Tree Christmas came a night early cause a  
 Guy name Bubba unrapped my package hot damn!
