                                              Base da Riff:
                                                                  (i think i'm different but i'm the same & i'm wrong)
                                                                              Bb Gb
                                                                  Ab
                                                                  don't pull me down
                                                                                 Bb
Riff:
                                                                  this is where i belong
                                                                  (I think i'm different)
Intro: Riff (x3 and a half)
                                                                  this is where i belong
Verse1:
                                                                  Riff:
  B
i know i'm pathetic i knew when she said it
                                                                  Repetir o Verse 1
                      Eb
a loser a bum's what she called me when i drove her home
                                                                  i think its disgusting believing and trusting
                                                                  if i gave a fuck there would be nothing for me to prove
В
there's no more waiting and sure no more wasting
                                                                  although its amusing its slightly confusing
                                                                  i've done all i can but her ego is still hard to move
you got you got you got to help me out
    F
                           Eb
i've done all i can but she still wants to be left alone
                                                                  and i'll try not to argue
                                                                  no one no one no one likes a drop out
 В
you got you got you got to help me out
                                                                  mistakes are hard to undo
