Tom: C

Intro: C Dm F G (2x)

I said settle down everything is fine

Take your eyes off the floor

She said no I'm not alright

I lost my head on the door

She's a a a antisocial

a a a antisocial

a a and she's an angel yeah

I'm in deep with this girl but she's out of her mind  
whoaaaahhh

She said babe I'm sorry but I'm crazy tonight whoaaaahhh

She's got a black shirt, black skirt

And Bauhaus stuck in her head

I'm in deep with this girl but she's out of her mind  
whoaaaahhh

Oh yeahhhh, we all need something to live for

Oh yeahhhh, we all need something to live for

She said I let her down

I no longer dream of anything anymore

Said I'm a know-it-all know-it-all

Make me want to scream

And threw herself on the floor

She's a a a antisocial

a a a antisocial

a a and she's an angel yeah

I'm in deep with this girl but she's out of her mind  
whoaaaahhh

She said babe I'm sorry but I'm crazy tonight whoaaaahhh

She's got a black shirt, black skirt

And Bauhaus stuck in her head

I'm in deep with this girl but she's out of her mind  
whoaaaahhh

I'm in deep with this girl but she's out of her mind

I'm in deep with this girl but she's out of her mind  
whoaaaahhh

Oh yeahhhh, we all need something to live for
