

# Blink 182 - Story of a girl

Tom: G

This is the story of a girl  
Who cried a river and drowned the whole world  
And while she looks so sad in photographs  
I absolutely love her  
When she smiles

How many days in a year  
She woke up with hope but she only found tears  
And I can be so insincere  
Making the promises never for real  
As long as she stands there waiting  
Wearin' the holes in the soles of her shoes  
How many days disappear  
You look in the mirror, so how do you choose

Your clothes never wear as well the next day  
And your hair never falls in quite the same way  
You never seem to run out of things to say

This is the story of a girl  
Who cried a river and drowned the whole world  
And while she looks so sad in photographs  
I absolutely love her  
When she smiles

How many lovers would stay  
Just to put up with this shit day after day  
How did we wind up this way  
Watching our mouths for the words that we say  
As long as we stand here waiting  
Wearing the clothes of the souls that we choose  
When she smiles...

How do we get there today  
When we're walking too far for the price of our shoes  
Your clothes never wear as well the next day  
And your hair never falls in quite the same way  
But you never seem to run out of things to say

This is the story of a girl  
Who cried a river and drowned the whole world  
And while she looks so sad and lonely there  
I absolutely love her  
When she smiles

Solo: (play 4 times... you can fool around with some of the other chords here)

Your clothes never wear as well the next day  
And your hair never falls in quite the same way  
But you never seem to run out of things to say

This is the story of a girl  
Who cried a river and drowned the whole world  
And while she looks so sad in photographs  
I absolutely love her

This is the story of a girl  
Her pretty face she hid from the world  
And while she looks so sad and lonely there  
I absolutely love her

This is the story of a girl  
Who cried a river and drowned the whole world  
And while she looks so sad in photographs  
I absolutely love her  
When she smiles  
When she smiles...
