Riff

x think of a while ago  
We might have had it all  
I was so stupid then  
You needed time to grow  
But now just as things change  
As well my feelings do  
In time things rearrange  
I am so sick of chasing you

**Ab - E - B - Gb**

But what do I get 'cause I just seem to lose  
You make me regret those times I spent with you  
And playing those games as I wait for your call  
And now I give up, so goodbye and so long

**B - E - Gb**

It's not a change of pace  
This time I'll get it right  
It's not a change of taste

I was the one there last night  
You have your other friends  
They were there when you cried  
Didn't mean to hurt you then  
Best friends just won't leave your side

**Ab - E - B - Gb**

But what do I get 'cause I just seem to lose  
You make me regret those times I spent with you  
And playing those games as I wait for your call  
And now I give up, so goodbye and so long

**B - E - Gb**

It's not a change of pace  
This time I'll get it right  
It's not a change of taste  
I was the one there last night!  
When I needed you most  
When I needed a friend  
You let me down now Like I let you down then  
So Sorry, It's Over

Ahhhhh.....
