Riff

x think of a while ago  
 We might have had it all  
 I was so stupid then  
 You needed time to grow  
 But now just as things change  
 As well my feelings do  
 In time things rearrange  
 I am so sick of chasing you

**Ab - E - B - Gb**

But what do I get 'cause I just seem to lose  
 You make me regret those times I spent with you  
 And playing those games as I wait for your call  
 And now I give up, so goodbye and so long

**B - E - Gb**

It's not a change of pace  
 This time I'll get it right  
 It's not a change of taste

I was the one there last night  
 You have your other friends  
 They were there when you cried  
 Didn't mean to hurt you then  
 Best friends just won't leave your side

**Ab - E - B - Gb**

But what do I get 'cause I just seem to lose  
 You make me regret those times I spent with you  
 And playing those games as I wait for your call  
 And now I give up, so goodbye and so long

**B - E - Gb**

It's not a change of pace  
 This time I'll get it right  
 It's not a change of taste  
 I was the one there last night!  
 When I needed you most  
 When I needed a friend  
 You let me down now Like I let you down then  
 So Sorry, It's Over

Ahhhhh.....
