B
Six bottles went down the drain
One hour's a waste of time

B
I'd ask if you feel the same
Still pushin' that chance to try

B
Your breath in this cool room chill
Long hair that blows side to side

B
You speak and make time stand still
And each time you walk right on by

B (8x) **Db** (8x) **Ab** (8x) **Bb** (8x)
Like violence you have me forever and after
B (8x) **Db** (8x) **Ab** (8x) **Bb** (8x)
Like violence you kill me forever and after

B
Can't count all the eyes that stare
Can't count all the things they see

She kills with no life to spare
Just victims are left to bleed

B
One drink and the pain goes down
Soft shadows lay by her feet

B
Lay soft as you slowly drown
Lay still as you fall asleep
(fall asleep)
