

# Blitzkid - Dying Day

Tom: **D**

**D**  
Tonight the reaper moans for me **A**  
In the grip of suicide

**G**  
Cold steel rests upon my flesh  
**A**  
Running red drips from the blade **D**  
My time is drawing near

**A**  
Salvation comes so swiftly

**G**  
Forever to be laid to rest

**A**  
Embrace my past for the dying day

**B** **D**  
Remember me

**A**  
Think of me as you dream

**G**  
I kiss the sorrow of your soul

**A**  
And pray to god my soul to keep...

**D**  
Death's specter looming close

**A**  
The plug is pulled from machines

**G**  
No breath escaping from my chest

**A**  
And this night has took me away

**D**  
My time is drawing near

**A**  
Salvation comes so swiftly

**G**  
Forever to be laid to rest

**A**  
Embrace my past for the dying day

**D** **A**  
We tried-oh how we tried  
Blame rests on hands of mine

**G**  
No place left for me inside

**A** **D**  
Released from the demons on the day I died
