tom:

Intro: Am C G Am

Am  
There's a horror in my soul  
F D Am  
That I want so very much to know  
I've learned the arts  
From the worst blackguards  
F D Am  
And now I'm living under the rose

F D Am  
I want to free this devilry  
F D Am  
Hellhound running loose  
F D Am  
Hothouse phantoms thrill my mind  
F D Am  
If you only knew

( G Em )

Am  
Oh yes, I know  
A place where evil grows  
F D Am  
Like monstrous orchids in thorny rows  
To rend and twist  
With horrid artifice  
F D Am  
Like Bacchus pursuing Amethyste

F D Am  
I want to free this devilry  
F D Am  
Hellhound running loose  
F D Am  
Hothouse phantoms thrill my mind  
F D Am  
If you only knew

( G Em )

F G Am  
There's a light on Half Moon Street  
F G Am  
In this house we often meet  
F G Am  
As my enemies grew bolder  
They moved in closer  
F G Am  
But I'm in league with something older

Am  
And now it is time  
Alive with drugs and wine  
F G Am  
This world and all the rest I'll leave behind  
Their mysteries I've been told  
I've been brought deep into the fold  
F G Am  
Of a circle unspeakably old

F D Am  
I want to free this devilry  
F D Am  
Hellhound running loose  
F D Am  
Hothouse phantoms thrill my mind  
F D Am  
If you only knew
