

# Blue October - I Hope You're Happy

Tom: G

Intro: C

C  
There will be days when you're falling down

C  
There will be days when you're inside out

Am  
There will be days when you fall apart

Am  
Someone else will break your heart

F  
They're never gonna hold you back

F  
I'm always gonna have your back

G  
So try to remember that

C  
I hope you're happy

Am  
I hope you're good

F  
I hope you get what you wish for

G  
And you're well-understood

C  
And now I'm standing here, looking at you

Am  
I wonder what the hell you're gonna do

Am  
With those Dr. Pepper eyes and your bubble gum hair

F  
Yeah, I'm standing right here

G  
I remember how I held you so right

C  
I remember that Saturday night

Am  
Do you?

Am  
There will be days when you're falling down

C  
There will be days when you're inside out

Am  
There will be days when you fall apart

F  
Someone else will break your heart

G  
They're never gonna hold you back

F  
I'm always gonna have your back

C  
So try to remember that

Am  
I hope you're happy

C  
I hope you're good

F  
I hope you get what you wish for

G  
And you're well-understood

C  
And whatever your progress

Am  
I know you'll be fine

F  
Because I hope you're happy

G  
Even if you're not mine

C  
I remember when the world was ours to take

Am  
I remember you next to me

C  
I remember you with every breath I take

C  
You'll always have a piece of me

Am  
I remember, yeah

F  
Try to remember that

G  
I remember every word that we spoke

Am  
You right here next to me

C  
I remember how we tried and we tried

G  
I remember everything

C  
Try to remember that

Am  
That I hope you're happy

F  
That I hope you're happy

G  
I hope you're happy

Am  
I hope you're good

F  
I hope you get what you wish for

G  
And you're well-understood

C  
And whatever your progress

Am  
I know you'll be fine

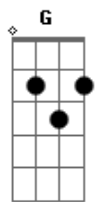

F  
Because I hope you're happy

G  
Even if you're not mine

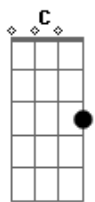

C  
Try to remember that

C  
I hope you're happy
