See you in the frontline
G
See you on your best side
C
And I'll be right there when it's cold again
Em G
Lightin' up that dark world at our own adventure
C
I won't let your hand let go of mine
Em
So you took a deep breath
G C
And you went for that dive for truth
Em
Yet you knew that deep down
G C
It got lost in the depths of youth
[Ponte]

Am
And I tried to hide away the fears
D
That time replaced with blood and tears
G C
And what I got were broken dreams
Am
So I tried again and took the lead
D
That wasted time stopped being so deep
Em C
And I got so far, no longer at war

[Pré-Refrão]
