

Blur - Ernold Same

Tom: **C**

C
Ernold Same awoke from the same dream
C **Bbm7** **C**
In the same bed at the same time
Am
Looked in the same mirror
Eb
Made the same frown
G7
And felt the same way as he did every day,
C **Bbm7**
Then Ernold Same caught the same train
C **Bbm7** **C**
At the same station, sat in the same seat
Am

With the same nasty stain
E **G7**
Next to same old what's his name
(on his way the same place to do the same thing)
Again and again...poor old Ernold Same.
C
Oh Ernold Same,
Am
His world stays the same,
Today will always be tomorrow,
Poor old Ernold Same,
He's getting that feeling once again,
F **F** (bass - **E**) **Dm** **G7**
Nothing will change tomorrow.
