

Blur - Ernold Same

Tom: C

Ernold Same ^Cawoke from the ^{Bbm7}same dream
 In the ^Csame ^{Bbm7}bed at the ^Csame time
 Looked in the ^{Am}same mirror
 Made the ^{Eb}same frown
 And felt the ^{G7}same way as he did every day,
 Then ^CErnold Same ^{Bbm7}caught the ^Csame train
 At the ^Csame ^{Bbm7}station, sat in the ^Csame seat
^{Am}

With the same nasty stain
 Next to same old what's his name
 (on his way the same place to do the same thing)
 Again and again...poor old Ernold Same.
 Oh Ernold Same,
 His world stays the same,
 Today will always be tomorrow,
 Poor old Ernold Same,
 He's getting that feeling once again,
 Nothing will change tomorrow.
