I get up when I want, except on Wednesdays when I get rudely
awaken by the
dustmen
I put my trousers on, have a cup of tea, and I think about
leaving the
E house
I feed the pigeons, I sometimes feed the sparrows too it gives
me a feeling of
enormous well being
And then I'm happy of rht rest of the day safe in the
knowledge there will
always be a bit of my heart devoted to it

It's got nothing to do with your Vorsprung Durch Technic you
know
And it's got nothing to do with you joggers who go round and
round
