Tom: Gb

(com acordes na forma de

Bm D G (2x)

Bm D
I look down from my window

G
To the island where I'm held
Bm D
Listen while you're sleeping
G
Darkness is itself

Bm D
Tomorrow I am disappearing
G
Cause the trees are amplified
Bm D
Never ending broadcasts

G
To which I cannot aspire

Dm Bb
Kid the mausoleum's fallen

C
And the perfect avenues
Will seem empty without you

Eb Gm
And the pink light that bathes the great leaders
F
is fading

Bb
By the time your sun is rising there

C
Out here it's turning blue
The silver rockets coming

Eb Gm
And the cherry trees, Pyongyang,

F
I'm leaving

Bm D
I feel like I'm floating

G
Persisting autotune
Bm D
never end, roll on

G
To the palace of the doom

Bm D
The temperature keeps falling

G
Soon there will be no lights

Bm D
Just a red glow of glass coffins

G
Watched by someone through the night

Dm Bb
Kid the mausoleum's fallen

C
And the perfect avenues
Will seem empty without you

Eb Gm
And the pink light that bathes the great leaders
F
is fading

Bb
By the time your sun is rising there

C
Out here it's turning blue
The silver rockets coming

Eb Gm
And the cherry trees, Pyongyang,

F
I'm leaving
