

Blur - Strange News From Another Star

Tom: **D**

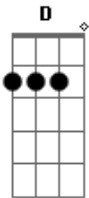

Bb **D**
All I want to be
Bb **D**
Is washed out by the sea
Bb **D**
No Death Star over me
Gm **D**
Won't give me any peace
Gm **D**
All I want is light relief
Bb **D**
Put the crazies on the street
Bb **D**
Give them guns and feed them meat
Bb **D**
They'll shoot the Death Star down
Gm **D**
Dig a hole and put it down
Gm **E** **G**
A thousand miles underground

A **Dbm**
They say it's no game
G **Bm**
There's strange news from another star
A **C**
I'm lost, I'm lost
G **Em**
There's strange news from another star
Bb **D**
Give me all your stuff

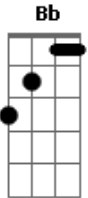

Bb **D**
Until I can't get up
Bb **D**
Watch the whole world freeze
Gm **D**
Counting tin cans in our sleep
Gm **D**
Submarines are diving deep
Bb **D**
I don't believe in me
Bb **D**
I don't believe in me
Bb **D**
All I've ever done is tame
Gm **D**
Will you love me all the same
Gm **E** **G**
Will you love me though it's always the same
A **Dbm**
hey say it's no game

G **Bm**
There's strange news from another star
A **C**
I'm lost, I'm lost
G **Em**
There's strange news from another star
Em
From another star
Em
From another star
Em
From another star
