Her favorite photo of her mom
The caption says:
   Dm
"I can't believe it
It's been a decade since you've been gone
Momma, I miss you
I miss sitting with you in the front yard
Still figuring out how to keep living without you
It's got a little better but it's still hard
Momma, I got a job I love and my own apartment
Momma, I got a boyfriend and I'm crazy about him
Your little girl didn't do too bad
Momma, I love you. Give a hug and kiss to dad"
A goat-cheese salad (Goat cheese salad)
A backlit hammock (Backlit hammock)
A simple glass of wine
Incredibly derivative political street art
A dreamcatcher bought from urban outfitters
A vintage neon sign
Three little words, a couple of doves
And a ring on her finger from the person she loves
Is this heaven?
