

# Bob Dylan - Beyond The Horizon

Tom: **F**

Intro  
-----

Verse:  
-----

Chorus:  
-----

**F** **Bbm** **F**  
Beyond the horizon, behind the sun  
**Gm** **C** **F** (**F**)  
At the end of the rainbow life has only begun  
**F** **Bbm** **F**  
In the long hours of twilight 'neath the stardust above  
**C** **C7** **F**  
Beyond the horizon it is easy to love  
  
**Gm** **F**  
My wretched heart's pounding  
**Gm** **F**  
I felt an angel's kiss  
**Gm** **F**  
My memories are drowning  
**Bb** **C**  
In mortal bliss  
  
**F** **Bbm** **F**  
Beyond the horizon, in the Springtime or Fall  
**C** **F**

Love waits forever for one and for all

Beyond the horizon across the divide  
'Round about midnight, we'll be on the same side  
Down in the valley the water runs cold  
Beyond the horizon someone prayed for your soul

I'm touched with desire  
What don't I do?  
I'll throw the logs on the fire  
I'll build my world around you

Beyond the horizon, at the end of the game  
Every step that you take, I'm walking the same

Beyond the horizon the night winds blow  
The theme of a melody from many moons ago  
The bells of St. Mary, how sweetly they chime  
Beyond the horizon I found you just in time

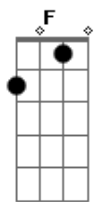

It's dark and it's dreary  
I ponder in vain  
I'm weakened, I'm weary  
My repentance is plain

Beyond the horizon o'er the treacherous sea  
I still can't believe that you've set aside your love for me

Beyond the horizon, 'neath crimson skies  
In the soft light of morning I'll follow you with my eyes  
Through countries and kingdoms and temples of stone  
Beyond the horizon right down to the bone  
It's late in the season  
Never knew, never cared  
Whatever the reason  
Someone's life has been spared

Beyond the horizon the sky is so blue  
I've got more than a lifetime to live lovin' you
