

# Bob Dylan - Can't Leave Her Behind

tom:  
 Bb (forma dos acordes no tom de F)  
 Capostrate na 5ª casa

Where she leads me I do not know  
 Well, she leads me where she goes  
 I can't find her nowhere  
 Well, she needs me here  
 All aware I can't hear her walk  
 I just cannot hear her talk

Though sometimes, you know you will  
 And when she comes my way  
 I'll just be left any night or day  
 I will hear her say  
 That I don't wanna try  
 I tried, also cried  
 But I can't leave her behind  
 [Final]
