

Bob Dylan - Cocaine

Tom: C										
Intro: C	:	.	.	.	:	.	.	.	:	.	.	.	:	
.										
					Yonder come a baby all dressed in white, hey baby won't you stay all night. Cocaine all around my brain.									
F														
G	:	.	.	.	:	.	.	.	:	.	.	.	:	Hey mama, won't you come here quick. This old cocaine is making me sick. Cocaine all around my brain.
.										
C	:	.	.	.	:	.	.	.	:					
.										
					Yonder . . .									
C														
Yonder come my baby all dressed in red.														
F														
Hey baby, I'm better off dead.														
C G) C) In subsequent									
verses:														
Cocaine all around my brain.					F G (as in									
the intro)														
E7														
Hey baby, won't you come here quick.														
F														
This old cocaine is making me sick.														
C F G C														
Cocaine all around my brain.														
E7	:	.	.	.	:	.	.	.	:	.	.	.	:	
.										
C	:	.	.	.	:	.	.	.	:	.	.	.	:	
.										
					Lord, cocaine been on my head, goddamn, cocaine my head, cocaine all around my brain.
