

Bob Dylan - Girl From The North Country (feat. Johnny Cash)

tom:
G

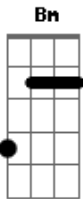

If you're travelin' to the north country fair G
Where the winds hit heavy on the borderline G
Remember me to one who lives there G
For she once was a true love of mine G
See for me that her hair's hangin' down G
It curls and falls all down her breast G
See for me that her hair's hangin' down G
That's the way I remember her best G
If you go when the snowflakes fall G
When the rivers freeze and summer ends G
Please see for me if she's wearing a coat so warm G

To keep her from the howling winds G
If you're travelin' in the north country fair G
Where the winds hit heavy on the borderline G
Please say hello (Remember me) to the one who lives there G
For she once was a true love of mine G
If you're travelin' in the north country fair G
Where the winds hit heavy on the borderline G
Remember me to the one who lives there G
For she once was a true love of mine G
A true love of mine G A true love of mine Bm
A true love of mine A true love of mine Bm
A true love of mine C A true love of mine G Bm C
She once was a true love of mine
