

Bob Dylan - I Shall Be Released

Tom: C

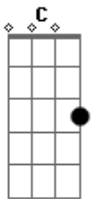

C
They say everything can be replaced, Dm
That every distance is not near, C
So I remember every face, Dm
Of every man who's put me here. C
I see my light come shining, Dm
From the west unto the east. G
Any day now, any way now, C
I shall be released. Dm
They say every man needs protection, C
That every man must rise and fall. Dm
Yet I swear I see my reflection, Dm

Em Dm C
Somewhere so high above this wall.

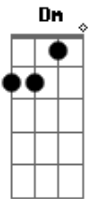

Chorus

C Dm
Yonder stands a man in this lonely crowd, Dm
Em Dm C
A man who swears he's not to blame. Dm
All day long I hear him shouting so loud, Dm
Em Dm C
He's crying out that he was framed. Dm
I see my light come shining, C
Em Dm G C
From the west unto the east. Dm
Any day now, any way now, Dm
Em Dm C
I shall be released. Dm
Any day now, any way now, Dm
Em Dm C
I shall be released
