

Bob Dylan - One Too Many Mornings

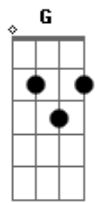

Tom: **G**

Hard Rain version

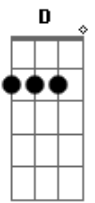

Down the street the dogs are barking **G D**
 And the day is getting dark. **B Em**
 As the night comes in a-fallin' **C G**
 The dogs, they'll lose their bark. **D . C . Bm . D .)**
 The silent night will shatter **G D**

From the sounds inside my mind **B Em**
 As I leave one too many mornings **C G**
 And a thousand miles behind. **C (/ E-Gb) G C G**
 I've no right to be here **G D**
 If you've no right to stay **B Em**
 Until we're both one too many mornings **C G**
 And a thousand miles away **C G C G**
