(all complete lyrics)

Precious angel, under the sun,  
 How was I to know you'd be the one  
 To show me I was blinded, to show me I was gone  
 How weak was the foundation I was standing upon?

Now there's spiritual warfare and flesh and blood breaking  
 down.  
 Ya either got faith or ya got unbelief and there ain't no  
 neutral ground.

The enemy is subtle, how be it we are so deceived  
 When the truth's in our hearts and we still don't believe?

Shine your light, shine your light on me  
 Shine your light, shine your light on me  
 Shine your light, shine your light on me  
 Ya know I just couldn't make it by myself.  
 I'm a little too blind to see.

My so-called friends have fallen under a spell.  
 They look me squarely in the eye and they say, "All is well."  
 Can they imagine the darkness that will fall from on high  
 When men will beg God to kill them and they won't be able to  
 die?

Sister, lemme tell you about a vision I saw.  
 You were drawing water for your husband, you were suffering  
 under the law.  
 You were telling him about Buddha, you were telling him about  
 Mohammed  
 in the same breath.  
 You never mentioned one time the Man who came and died a  
 criminal's death.

Shine your light, shine your light on me  
 Shine your light, shine your light on me  
 Shine your light, shine your light on me  
 Ya know I just couldn't make it by myself.  
 I'm a little too blind to see.

Precious angel, you believe me when I say  
 What God has given to us no man can take away.  
 We are covered in blood, girl, you know our forefathers were  
 slaves.  
 Let us hope they've found mercy in their bone-filled graves.

You're the queen of my flesh, girl, you're my woman, you're my  
 delight,  
 You're the lamp of my soul, girl, and you torch up the night.  
 But there's violence in the eyes, girl, so let us not be  
 enticed  
 On the way out of Egypt, through Ethiopia, to the judgment  
 hall of Christ.

Shine your light, shine your light on me  
 Shine your light, shine your light on me  
 Shine your light, shine your light on me  
 Ya know I just couldn't make it by myself.  
 I'm a little too blind to see.
