Seen a shooting star tonight
 And I thought of you

You were trying to break into another world
 A world I never knew

I always kind of wondered
 if you ever made it through

Seen a shooting star tonight
 And I thought of you.

Seen a shooting star tonight
 And I thought of me
 If I was still the same If I ever became
 what you wanted me to be
 Did I miss the mark or overstep the line
 that only you could see
 Seen a shooting star tonight
 And I thought of me.

Listen to the engine listen to the bell
 As the last firetruck from hell
 goes rolling by, all good people are praying

It's the last temptation the last account
 The last time you might hear the sermon on the mount

The last radio is playing.
 The last radio is playing.

Seen a shooting star tonight slip away

Tomorrow will be another day
 Guess it's too late to say the things to you
 that you needed to hear me say
 Seen a shooting star tonight slip away.

Capoed version (capo 4th fret)
